The image shows a screenshot of the Twilio dashboard for a project named "RSVPizza TRIAL". The Twilio logo is in the top left. Below it, the project name "RSVPizza TRIAL" is displayed with a dropdown arrow. A sidebar on the left contains navigation links: "Dashboard" (with a home icon), "Billing" (with a menu icon), "Usage", "Settings", and "Upgrade". The main content area has a header "RSVPizza Dashboard" and a "Project Info" section. Under "Project Info", there is a "TRIAL BALANCE" section with the value "\$14.34" in green. A large blue arrow points from the right towards the "\$14.34" value.

Welcome to your Dashboard!

Be sure to notice your trial balance
